

The 4th International Conference on Applied Science and Technology (ICAST) 2021

Samarinda, Indonesia
October 23-24, 2021

Developing innovation and green technology to sustain the economic and social life in new normal.

Virtual Conference

Due to covid-19 outbreak, all activities related to this conference are going to be conducted virtually

All accepted papers will be included in ICAST-ES and ICAST-SS 2021 Book Program. All presented papers will be submitted in Journal of Physics: Scitepress (for ICAST-ES) and Atlantis Press (for ICAST-SS) and indexed by Scopus. High-quality papers will be nominated for Best Paper Award

Groups

This prestigious conference is aimed at bringing together researchers, and experts in intelligent technology and social science from educational institutions, R & D, industry, government and the community to exchange and share ideas or knowledges through a discussion of a wide range of issues related to Green and Model-Based Technology be held in two groups of science, i.e, social science (ICAST-SS) and engineering science (ICAST-ES)

Papers

Research findings and results on latest technology are welcomed to be presented in this conference. A side event on exhibition of technology products as the outcomes of joint research between students and lecturers will also be displayed around the conference areas. All full paper submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference issues, contributions, and readability. Papers in the technical program have to expose authenticity and high-quality end. The full paper submission will be chosen based on technical merit, interest, applicability, and how well they are adapted and balanced with the prevailing technical program.

Keynote Speakers

Prof. Dr. Arshad Ahmad

School of Chemical and Energy Engineering,
Universiti Teknologi Malaysia

Prof. Peter Sheehan

Victoria University
MELBOURNE, AUSTRALIA
